Toll Free: 866-783-0078
Fax: 630-852-3270

Abstract - State the objective and specific aims and relevance to Angelman Syndrome. Do not exceed the space on this page

Lay Abstract - Describe the project in non-technical language understandable by a person not trained in science. This is an important part of the application and considered in funding decisions. If award is made, this text will be used in FAST publications and press releases.

Budget and Justification

Budget Item	Category	Amount Requested

Budget Justification - please add an additional page if needed. Please note that FAST will not cover salaries, fringe, or indirect costs under any circumstances. Fellowship applicants do not need to provide a budget or justification.

Budget Justification - continued

Other Support - List Current and Pending Support. Indicate amount of overlap with the current application.
