# Global Science Summit & Gala

sponsorship opportunities

On behalf of the Foundation for Angelman Syndrome Therapeutics (FAST), thank you for your interest in becoming a sponsor for our [FAST Global Science Summit & Gala](#). The 2022 Global Science Summit & Gala is the largest gathering of Angelman families worldwide. This year's event will take place on December 2–3, 2022, in Miami, Florida.

The annual Science Summit & Gala is an opportunity for the Angelman community to connect face-to-face, learn about the astonishing science and pharmaceutical advancements, and raise a significant amount of money to fund research that will move new treatments for Angelman syndrome forward. The Global Science Summit gathers scientists from around the world to share updates with the Angelman community on the latest research and updates on clinical trials, while providing best practices in education and therapies. In addition to the in-person event, the Global Science Summit will be broadcasted live to thousands more around the globe and will be translated into several languages. The Summit & Gala allows our Angelman community an opportunity to gather, learn, network and relax with old and new friends.

Your sponsorship is critical in funding important research grants that will develop meaningful therapeutics for our loved ones with Angelman syndrome. Additionally, this is a high-profile, stellar event that our community looks forward to each year. As you look through the sponsorship opportunities, your company will receive great global visibility through various touch points during the two-day event.

Please review the various sponsorship opportunities that follow and let us know if they reflect your gift amount, or if you'd like us to customize an opportunity for you. We thank you in advance for considering sponsoring this year's [FAST Global Science Summit & Gala](#) and we look forward to seeing you in Miami!

## SPONSORSHIP OPPORTUNITIES

We offer some unique sponsorship opportunities to reach the global Angelman syndrome and rare disease community. Our annual global science summit and gala pre-COVID attendance has averaged 1,200 in person for the past five years. On average we reach 907K impressions monthly through our social media and reach 12K+ unique individuals through our email campaigns. This is a wonderful opportunity to support the Foundation for Angelman Syndrome Therapeutics while increasing your brand awareness and highlighting your research and drug development in the pipeline.

### **Cure Angelman Now (CAN) Annual Fundraiser Corporate Match**

FAST's annual CAN campaign is an Angelman syndrome community-led fundraiser. Globally, AS families host a multitude of fundraising events to help fund FAST. The eight families that raise the most money win a complimentary trip to tour the research labs and meet with the FAST funded researchers working on a cure for their loved ones.

We feature one corporation a quarter that offers a match to motivate and support the community's efforts. We have Q3 and Q4 sponsorship opportunities available for 2022.

**Q3: July 15 – August 31, 2022 / Q4: September 1 – October 15, 2022**

*Match request: \$15,000*

#### **As a cooperate matching partner, you will receive:**

- Your company logo featured on six social media posts (Facebook, LinkedIn, Instagram, Twitter)
- Your company logo on the landing page of the FAST website
- A feature in our standard newsletter
- A special e-blast to our 12,000+ newsletter subscribers

### **2022 Annual Global Summit & Gala Sponsorships**

[FAST Global Science Summit & Gala](#) will be held at the Diplomat Resort in Miami Florida December 2-3, 2022. We anticipate getting closer to our pre-COVID attendance levels and are projecting up to 1,000 event attendees and 300 virtual participants.
